

What we do

- Encourage and support organic gardeners in the community
- Promote organic gardening principles and practices
- Provide education and information on local organic issues
- Garden organically (through our organic community allotment, urban gardening course, plant swaps and practical workshops)

Cut Here

Join us! We have a growing number of members, which helps us to be a voice for gardeners in Brighton and Hove and beyond.

Membership costs £10 a year, £5 if you are unemployed, or £15 for a family.

Becoming a member gives you free entry to most events, access to our community allotment and urban growing course, and unique support from a group of committed and expert local gardeners.

Ask us about membership, visit: www.bhorganicgardeninggroup.org to set up a standing order, or complete the form below.

We hope to see you soon!
